TIED OUT.

There's many a wife sits in the growing shadows of an evening, knowing what it is to feel tied out, as if there was not another ounce of effort left in her. But if healthy she knows how sound her slumber will be and how refreshed the morning will find her. But if it's another thing for the sick woman to feel tied out. Rest only seems to increase her suffering. She feels acutely the aching back and throbbing nerves. Sick women, hundreds of thousands of those have been made well by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

"I am pleased to inform you of the benefit I received from using Dr. Pierce's Favorite Prescription and Golden Medical Discovery," writes Mrs. Elizabeth A. Oswald, of 45 Brant Street, Windsor, Essex Co., Ontario, Canada. "Was quite discouraged when I wrote asking your advice, as the physicians here told me I could get no relief except by an operation. Suffered for four years from irregular and profuse menstruation, and sick and nervous headaches most of the time, and at times could hardly walk across the floor from weakness. I thank God there is such a remedy as Dr. Pierce's Favorite Prescription for suffering women. Before I had taken the first bottle the headaches had left me and it was not long before regularity was established and still continues so. Have just finished housecleaning which I never expected to be able to do again, and can truly say I never felt better than at present. I feel recomended, Favorite Prescription to all who suffer from female weakness. It has cured me and made me stronger in every way. Neither my husband nor myself can say enough in its praise."

The selfish seller who urges some substitute is thinking of the larger profit he'll make and not of your best good.

THE POWER OF STEAM.

Many May See But It Takes Genius to Realize.

When James Watt saw the steam engine the kettle lid to jump up and down he said "There must be power in that steam that it can lift such a weight."

There was. Millions prior to him had seen the same phenomenon and regarded it as an unexplained mystery.

Recent scientific research has put its finger on the "cause" of Dandruff, Falling Hair, and consequent Baldness, and has unearthed a tiny germ which eats the life from the roots of human hair.

Newbro's Hairdressing destroys this germ and consequently restores the hair to its natural state.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., 120 E. 8th St., St. Paul, Minn.

STRONG Again

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it. Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer—weakens, and become diseased.

Kodol Dyspepsia Cure

enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.

Digests What You Eat

Dollar bottle holds 24 doses as much as the trial, or 50 cent size.

Charge Against a Priest.

Although he proclaims his innocence most vigorously and is not abashed by the contempt expressed by his brother clerics, Father Offer, former pastor of the Barre Mills Roman Catholic Church at Lacrosse, Wis., will have to stand trial at the October term of court and defend himself against a grave charge preferred by the father and affianced husband of Bertha Taylor, 18 years old, who is one of the most beautiful girls in Wisconsin.

Father Offer was arrested Saturday in the Trappist Monastery, New Melary, just outside Dubuque, to the great surprise of the abbot, and was held in \$500 bail. The girl's story is a sad one and the feeling against the priest is intense. His defense is the plea of attempted blackmail.

Miss Taylor is a protestant, and was engaged to be married to one of Father Offer's parishioners. Each evening, it is said, she visited the priest's house for religious instruction. It is alleged that one evening he administered drugs and caused the young woman's downfall.

The girl continued to visit the priest's house until the news of their relations was communicated to the bishop. He removed Father Offer, and the priest hurriedly left Lacrosse. His whereabouts was unknown until a few days ago.

Since he entered the monastery Father Offer had been reticent about his affairs and as he went there voluntarily, unlike most deposed priests, the abbot believed that he was desirous to do penance for minor sins. He is more than 50 years old.

When the news of Father Offer's alleged crime became known the girl's sweetheart and other friends were prepared to do him violence, and the priest left town on the first train.

American Wives Have Few Sons.

A writer in the London Contemporary Review has made an interesting discovery. He finds that the failure of motherhood among American housewives who have married titled Englishmen is most marked, while the influence of colonial women on English society is not only more wholesome, but likely to be more permanent. In his opinion, colonial influence in England is masculine, vigorous and wholesome. American influence is feminine, frivolous and fleeting. He offers some striking remarks concerning the invasion of England by American housewives.

"Since 1840 30 British peers or eldest sons of peers have married in the United States. Of these 13 have no children at all, 5 have no sons and 5 have only one son. The total number of peers' children with American mothers is 39, of whom 18 are sons. During the same period 23 peers or eldest sons of peers have married in the colonies. Four have no children, seven have one son, eight have two sons and two have three sons. That is to say, though the number of colonial peeresses is seven less, they have nearly twice as many children, and while six of them have neglected to present their husbands with heirs, 19 Americans are guilty of the same neglect."

Cincinnati's Jack the Ripper.

Another woman has been added to the list of victims in Cincinnati by the mysterious murderer whose thirst for human blood and his horrible custom of mutilation have caused him to be named after his London prototype—Jack the Ripper. The fifth woman slain within a year fell Saturday, and within a stone's throw of the Spring Grove Cemetery, where he killed four girls—for all the circumstances indicate that the murders were the work of one murderous hand.

Mrs. Mary Reichert, 87 years old, infirm and helpless, was found dead Saturday in the doorway of her cottage. She had been felled with a terrific blow made by a blunt instrument, which crushed her temple. The police have concealed the full particulars, but the murder evidently was of the same character as those which have repeatedly horrified the neighborhood in which the old woman lived, and Saturday night all that part of Cincinnati near the scene of the latest tragedy was in a state of terror and excitement. What perplexes the authorities is that the murderer should have selected such an aged woman to satisfy his unnatural glut for human blood. All the others who met a mysterious fate were girls under 20 years.

Accused of Stealing Jewelry.

A handsomely dressed woman who said she was the niece of a prominent official has been arrested in New York, charged with grand larceny, it being claimed that she had stolen jewelry valued at \$4,000. The woman gave her name to the police as Miss Antoinette Cortelyou. At the same time she was arrested the detectives also placed under arrest her colored maid, Ruth Bundy. The complaint against the two women is Mrs. Dorothy Auerbach who told the police that she called on Miss Cortelyou, whom she had known for years, and that on returning home she found that jewelry valued at \$4,000 had been abstracted from her chateausine bag which she left in Miss Cortelyou's room while she went to a telephone.

Furious Fighting.

"For seven years," writes Geo. W. Hollman, of Harper, Wash., "I had a bitter battle with chronic stomach and liver trouble, but at last I won and by the use of Electric Bitters. In unhesitatingly recommend them to all, and don't intend in the future to be without them in the house. They are certainly a wonderful medicine, to have cured such a bad case as mine." Found a Cure for Dyspepsia.

Mrs. S. Lindsay, of Fort William, Ontario, Canada, who was suffering quite a number of years from dyspepsia and great pains in the stomach, was advised by her druggist to take Chamberlain's Stomach and Liver Tablets. She did so and says, "I find that they have done me a great deal of good. I have never had any suffering since I began using them." If troubled with dyspepsia or indigestion why not take these Tablets, get well and stay well? For sale by Gibson & Timmerman and W. F. Creighton & Co.

TO THE OWNERS OF DOGS.

Mayor's Office, Alexandria, Va., June 1, 1905.

All persons owning or intending to keep any animal of the dog or canine species must come forward on or before

JUNE FIFTEENTH, 1905,

and take out a license for the same from the Auditor. After the FIFTEENTH OF JUNE

all persons owning or harboring dogs with-

out the required license can be fined (as the laws on the subject require) \$5 for every dog so owned or harbored.

Complaint has been frequently made that many persons fail to take out their license, and that others pay on one or two dogs when owning and harboring more, or who send such dogs away during the summer months and bring them back in the fall.

Attention has been called to this evasion of the law, and the policemen will report all such cases, and fines can be imposed upon those who fail to take out licenses after trial in the Police Court.

The police officers will be required to report all violations of this law.

In order to avoid any mistakes per-

sons who make application for licenses would do well to write their names and number of residence, street, &c., on a card or paper when making application for their licenses to the Auditor.

FRED. J. PAFF, Mayor.

License and Tag, \$1.50.

HISTORY OF ALEXANDRIA.

To the frequent questions as to when the History of Alexandria was published, I wish to reply that it will be published as soon as Mr. Horace Ranney, the publisher, receives sufficient subscriptions, to be
